

EXPLORE | NORTH-WEST NAMIBIA

The Namib Desert

Stand on top of some of the highest dunes in the world, and look across planet Earth's oldest desert, stretching into the Atlantic Ocean.

WINDHOEK

This is where your great adventure starts!

ETOSHA NATIONAL PARK

Visit classic resorts inside the Park, like Halali, Namutoni and Okaukeujo and get to see most of Namibia's wild animals.

Close to Etosha you have the opportunity to see and learn from the Himba Tribes.

THE NAMIB DESERT

Feel this ancient desert sand between your toes! Even here, in one of the planet's most extreme wildernesses, life perseveres.

Fall in love with some of the most amazing sites:

- Bushmen Paintings
- Twyfelfontein
- Petrified Forest
- Flamingos
- Cape Cross Seals
- Skeleton Coast
- Swakopmund
- Moon Landscape
- Dunes
- Welwitschia

ITINERARY:

Have fun on the back of camels and explore the Sand Dunes by quad-bike!

ADD-ON'S

- Kaokoland & Eupupa Falls, true home of the Himba Tribes
- Experience the "Rhino Momma Project" at Kifaru luxury Tented Lodge

THE ETOSHA NATIONAL PARK

This is true Namibia!

The Etosha National Park is a nature conservation area in Namibia and is one of the most significant game reserves in Africa.

While on tour, you will visit this best known and most important national park in Namibia.

Etosha is home to over 100 mammal and 340 different bird species.

KAOKOLAND & EPUPA FALLS

Kaokoland is off the beaten track and offers ample photographic opportunities.

Epupa Falls and Kunene River is the border between Namibia and Angola.
