

## CUSTOM DESIGNED SIGHTSEEING TOURS

(Pricing Upon Request)

### **Etosha National Park Day or Overnight Tour:**

One of the world's greatest game reserves. A floodlit watering hole allows for exceptional animal sightings throughout the day and night. The lodges book up early, so let us know as soon as you decide so we can reserve accommodation. We are located 100 miles from Etosha which makes it ideal for a day tour as well.

### **Himba Day Tour:**

Learn about the nomadic Himba tribe and their culture with an afternoon excursion. Their village is located near our lodge making it an easy, quick half day tour option.

### **Skeleton Coast Tour:**

Generally a "three day loop" tour. We will drive you through the Namib Desert to the coast and do a variety of excursions including Swakopmund, Cape Cross where you will see the Cape Fur Seal breeding colony, Hentiesbaai, Walvis Bay, Sandwich Harbor, & Salt Works. A day can be added to explore more of Swakopmund which can include quad-biking the sand dunes, sand-boarding, parasailing, hot air ballooning, camel riding, and other adrenaline inducing guided activities.

### **Caprivi Tour:**

A tour to the far North Eastern corner of Namibia where the land is lush and green. Visit the nearby Poppa falls, overnight on the banks of the Okavango River and experience many elements of cultural tourism. An extended tour to visit the world famous Victoria Falls can be arranged as well.

### **Epupa Falls Tour:**

A tour to the North Western corner of Namibia, bordering Angola these falls are part of a truly unspoiled environment with fig trees, baobabs, makalani palms, and colored rocks surrounding the falls. The drive there will take you through the beautiful Kaokoveld which form an integral part of Namibia's landscape.

### **Rock Engravings Day Tour:**

A quick, easy tour due to our proximity to the kôisan engravings.

### **Cheetah Farm Day Tour:**

Visit a nearby farm with cheetah that have been rescued from various situations. This is an easy afternoon tour where you can meet cheetahs and watch them get their afternoon feed.

### **Rare & Endangered Species Trust Day Tour:**

Up close and personal interaction with many of Namibia's local wildlife at this rescue and rehabilitation facility. Many guests get the chance to meet and greet their cape pangolin.
